Subject: EVS

Chapter-1: My Family and Me

Key Notes:

Parents and their children make a family. A family having one or two children is called a small family. Whereas, a family having more than two children is called a big family. If a family have grandparents, parents, uncles, aunties and children together such a family is called a joint family and if one parent with their children live together, such a family is called a nuclear family. The relationship between the members of a family can be known with the help of a family do different works in and outside the family.
