LESSON-7: MY COUNTRY(POEM)

NEW WORDS:

- Ought to: have as a duty
Trust: believe in
Proud: showing pride
Noble: having or showing high personal qualities

Summary: The poet felt that a countryman should love his country because he is born there and it is his duty to give love and pride for his motherland. He should work for the development of his country so that his country felt proud of him. He should develop good qualities like bravery, nobleness, truthful and kindness. This quality will benefit his country.

EXERCISES

I. Answer the following questions:

(1) What is the name of our country?

Ans: India is the name of our country.

(2) What is the name of our state?

Ans: Manipur is the name of my state.

(3) Do you love your country?

Ans: Yes, I love my country.

(4) How can you serve your country?

Ans: We can serve our country by loving the land in which we live and also by becoming a good citizen which our country may be proud of.

(5) Give four qualities of a good countryman?

Ans: The four qualities of a good countryman are bravery, nobility, truthfulness and kindness.
