CLASS-II

CHAPTER-9

MY FUNDAY

### **TEXTUAL QUESTIONS AND ANSWER**

#### **NOTES**

The theme of this chapter is to make the students aware of the days of the week and their sequence. Further, the students will also become familiar with the sequences of the months in a year. Students will also learn difference in the number of days that each month. Observation of calendar by student themselves to identify days and months of year is the key goal.

#### **SOLUTIONS**

**Q.1 Is Sunday a fun day for you?**

**Ans:** Yes, to the majority of the students, Sunday is a fun day but the answer may vary from student to student, based on his/her experience. It is highly recommended that the students prepare the answer on their own
